[Proof that Trump is on or close to someone on TDW. I saw this tweet posted on here all day. Now Trump retweets it. Decided today that me and my girl will be in DC for the Rubicon.....since we are travelling by plane, leaving minecraft gear at home....Cornpop doesnt stand a chance. PeRiOD.](#) (twitter.com)

Just get yourself some razors and bang them on the curb, then do some shaving.

Just based on his tweet history, seems like Trump surfs the internet between 10 and midnight everyday himself. At least when he's in the white house.

wouldn't surprise me in the slightest if President Trump is actually reading this post.

He's warning us. I've had the sinking feeling that is going to be the last ditch effort for the swamp to distract us from what's about to happen. I've been getting the news articles about radio signals from Alpha Centauri and asteroids nearby and all that shit and I bet you have too. That's classic grooming by Big Tech. They're getting that in our heads before it actually happens to make us believe it. The climax of the movie is finally upon us. Swamp is going to claim the sky is falling. There is literally going to be UFO's in the air to distract us from Trump's round up of all the corrupt criminal scum. Why did he start the Space Force? Why did POTUS just tweet about aliens? Why would "Sky is falling" be in their playbook? Playbook known. Get your popcorn. If this happens, tell everyone you know to stay calm and indoors. Martial law. This is what we've been prepped for. Help the sheep understand what's actually going on. MOAB INCOMING.

I'm not telling you to stay home and not to go to DC. I think all of the chaos and uncertainty will be over by then if something similar were to happen. I'm just trying to piece this all together and I genuinely think the swamp would stoop to that level of debauchery, panic, and chaos in order to misdirect and stay in control.
